

MC Series Wheel Chocks

Checkers MC series heavy duty wheel chocks.

MC Series Wheel Chocks

Wheel Chocks -

Checkers heavy duty MC series wheel chock is manufactured with highly durable, lightweight polyurethane construction. They are ideal for use with heavy equipment.

- Durable polyurethane construction is resistant to oils, fuels, and solvents
- Larger base that makes them ideal for use with heavy equipment
- Recessed carrying handle on the backside of the chock
- Light weight with tough urethane construction
- Specially designed for use with mine support equipment such as lubrication trucks and heavy maintenance vehicles.

- Indoor/Outdoor
- Heavy duty
